

Linear Bearing

Our Linear Bearing selection is designed to cater to a wide range of industrial applications, ensuring optimal performance and reliability. Whether you require linear motion solutions for robotics, automation, machine tools, or any other industrial equipment, we have the right Linear Bearing to meet your specific needs.

-Series:TBR..UU-LUU,SK,SHF,SCS..UU,SCS..LUU,SCJ..UU,SCE..UU,SCE..LUU,SC..VUU,SB R..UU,SBR..LUU Series

- Type:Linear motion ball slide units series
Brand Name:SAIVS
Precision Rating:High Precision
Place of Origin:Zhejiang, China
Feature:Smooth Motion, High Load, Anti-friction
Sample:Availiable
Stock:Great Supplying Ability
Service:OEM Customized Services

- Application:
Amusement park rides and attractions
Movie production camera sliders
Amusement park rides and attractions
Solar tracking systems and photovoltaic panels
Camera gimbals and stabilizers
Fitness equipment and treadmills
